

CHEERLEADER BIO SHEET

We would like to spotlight our cheerleaders on the Top Dog website. No personal information will be included about your child, however, this is a great opportunity for colleges and cheer magazines around the country to see him/her. This is also a great opportunity for colleges to see what our cheerleaders are made of and scholarships could be a great pay-off for his/her hard work! Please include a photograph of yourself or schedule an appointment to have one made.
